The recreational meeting was held to determine if East Central was going to hold a Jamboree for the summer 2018 season. Dates were discussed and it was suggested that we hold it June 15-17, Father's Day Weekend. The group thought that New Holstein holds a tournament that weekend, but did not think that there were other tournaments in the East Central District.

Locations were discussed and NEW United was the only club that could host the Jamboree.

Many clubs indicated that their academy program had grown and that there were not as many recreational teams in their club. The number of teams attending the Jamboree have dwindled over the years and there are just not enough teams to support a Jamboree.

A quick count of how many teams each club might have this year was taken and it looks like there just is not enough teams to support hosting a Jamboree this year.

Club	Rec. Teams
Neenah	8
KASA	5
Menasha	2
Howard FC	4
FOX Cities	1
TASK	6
HOV	3
NEW United	14
Electric City	8
Total	51

It was decided to take a break this year and review it again for next year.

Matt Bellisle (Howard FC) indicated that he would be interested in getting together with other clubs to host a mini event for their U8 and U10 teams. The Howard FC teams look forward to

the Jamboree as they do not play against other clubs during the season. A few clubs indicated they would be interested in working with Howard FC to have an event for the U8 and U10 teams. Clubs are going to keep track of the numbers and to see if an event like this could be worked out.

Motion: Mike Buman made a motion to rest the Jamboree for one year and re-address the question for the summer of 2019.
